

Club Class at Wentworth

Iconic Surrey golf club launches new luxury packages

One of Britain's most prestigious golf and country clubs is launching a range of new packages for the ultimate golf getaway.

The exclusive Wentworth Club in Surrey, fresh from staging one of the most dramatic BMW PGA Championships in history, has announced a series of new packages to coincide with the opening of their renovated Clubhouse accommodation.

After enjoying a round of golf on one of Wentworth's three Championship courses including the iconic West, guests are now able to enjoy a stay in the famous castellated Clubhouse, where rooms have been refurbished to the very highest standard.

As guests walk through the historic Clubhouse and into their room, all of which are decorated in a luxury contemporary style, they will see legendary icons from the golfing world of Wentworth framed on the walls – a reminder of the unique history that will make their stay even more special.

Wentworth's rooms and suites are all elegantly presented, with the décor sympathetically reflecting the traditional values of the Club whilst also combining top of the range beds and comfortable soft furnishings.

Guests can choose the East and Edinburgh Golf Package, with a round for two golfers on either course followed by an overnight stay. Alternatively there is the West Course Golf Package, offering guests the opportunity to walk in the footsteps of Champions. The famous 'West' has been home to major golf tournaments since 1964, when the first World Matchplay was held, as well as the Ryder Cup in 1953.

Golfers playing the course will following such greats as Jack Nicklaus, Arnold Palmer, Gary Player, Seve Ballesteros, Greg Norman, Nick Faldo, Ernie Els Tiger Woods and now, World No.1 Luke Donald, fresh from his recent BMW PGA Championship triumph.

As part of all the packages, guests can also enjoy three courses at Wentworth Grill, a restaurant unique in the world of golf and country clubs thanks to its links with The Ivy and Le Caprice in London, and with a growing reputation as one of the finest in Surrey.

Award winning Executive Chef Leigh Diggins oversees a menu that combines the best of British and international cuisine, with a strong emphasis on local and seasonal produce.

For non-golfers, Wentworth now has an exciting new Spa package, allowing guests the perfect opportunity to indulge and unwind in the members' Spa.

With a range of luxurious ESPA treatments and a dedicated and diverse team of therapists, the Spa at Wentworth is the ultimate destination for a day of relaxation and pampering. Treatment combinations include: a ESPA full body massage or facial, or an indulgent back, neck and shoulder massage with mini pedicure.

Guests will also have full access to the Wentworth Tennis & Health Club, with its excellent tennis facilities and state-of-the-art gym, as well as both an indoor and summer outdoor pool. With the Clubhouse surrounded by Surrey parkland and golf courses, Wentworth truly does feel like an oasis of luxury and tranquility, despite its closeness of London and Heathrow.

Whether it is a round of golf or a treatment at the Spa, guests can enjoy being a member for the day at one of Britain's truly exclusive country clubs.
